Exhibitors must verify their entry information from the club's confirmation and report any entry discrepancies to the show secretary prior to the show. The show secretary is not responsible exhibitor's error in the information provided. No changes to results (except a club's scoring error) will be made once the trial has been completed when the handler did not report an entry or move up error.

If you are anticipating a TACH, TMAG, OR TAM, please let us know by **April 18th** or we may not have an award for you.

**Warm-Ups:** A warm up area, consisting of at least a regulation agility jump, shall be provided for all exhibitors. Obstacle familiarization on TDAA equipment will be offered before the first class on Saturday and Sunday. This will allow dogs not familiar with the smaller equipment to experience it before the first run of the day.

**Height Divisions:** TDAA offers the following Jump Heights: 2", 4", 8", 12", 16". Owners/handlers are responsible for entering their dog at the proper height division, both the dog's measured jump height and the height at which they want their dog to jump at the trial. Per TDAA rules, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Any dog that has not previously competed at a TDAA trial must be measured before competing.

**Standard Class:** The following classes are available for Standard runs.

- 🐾 **Beginner Agility:** All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.
